4. Regarding designated "recreational" Youth Leagues serving Beekman youth at a rate of 75% or greater:
 - The Rec Office will send each Authorized Youth League a "Black-out" schedule as soon as the information is available and update it regularly.
 - The Rec Office will provide a chart indicating which age groups can practice and play on which fields.
 - Games will take priority over practices.
 - The Youth Leagues will make up a season schedule around the Black-out dates, respecting the field assignment chart, and the designated representative shall participate in a meeting with the other Leagues to be scheduled in the Rec Office during business hours prior to:

If there is no response the Other League/Travel Team request will be granted and a new Black-out schedule will be sent to the Youth League.
