PLAYGROUPS

Weekly with Caregiver

Older siblings cannot be accommodated; it disrupts the developmental balance of the group

Schedule: The school year is divided into four 8-week sessions.

Dates and fees are published on website

Toddler & Tots Playgroups

This program is designed to be the first step for your children to socialize with others, get experience in an organized environment, and most of all, have lots of fun playing with their "Grown Up" friends during the class to help them navigate through the centers and activities!!! This playgroup is a great way for the adults to meet others in the community as well. This class is able to accommodate children through a pre-kindergarten experience.

Wednesdays: We will continue to offer the morning class at 10am.

New This Year on Tuesdays!

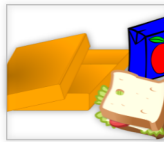

We have created two NEW Toddler & Tot Playgroup Programs this Fall in order to make more accessibility to Playgroup programs.

Early Bird Play Pals is offered at 9:15 am. This is the perfect time slot for the family that likes to get up and out early in the morning.

Brown Bag Lunch Bunch begins at 11:15 with a NEW twist...

we invite our families to bring a "Brown Bag Lunch" to eat during the Lunch Time segment of the class. We will provide a drink & healthy dessert to add to the fun of eating with your Playgroup Friends!

Preschool Playgroup

This Wednesday afternoon program for 3, 4 and 5 year olds is held Wednesday afternoons. This Preschool Playgroup will be a developmental progression from the Toddler & Tots Playgroup with activities offered for older children. This class will be different than the morning Playgroups in that the weekly themed centers, activities and enrichment lessons offered will be appropriate for children ages 3, 4 & 5 years old. We add a Pre-Writing and/or Math Center to this Playgroup designed to help lay the foundation for school success.

Our Early Childhood Program Coordinator, Michele Schneider, will be ready to greet your child at our classes along with our pre-school monitor, providing a warm and fun environment.
