

# Walking Path Info

Walking the perimeter  
is  $4/10^{\text{ths}}$  of a mile

The internal  
connector is  
350' or .06 of a  
mile

This is an aerial photograph of a sports complex. A grey walking path is highlighted, forming a large loop around a central area. The path is labeled with 'Blvd' at the bottom left and 'Town Center Blvd' along the right side. There are three baseball fields visible, each with a yellow infield and green outfield. The surrounding area is green with trees and some buildings. A white arrow points from the text box to a specific section of the path.
