

Senior Citizen Artist Contest

*A chance to win notoriety and money!
While helping to keep our waterways clean!*

Calling all Beekman Seniors interested in creating a watercolor, oil or acrylic painting, drawing, photograph or computer painted art on 10.5" x 22.75" paper convertible to a minimum of 300 dpi.pdf.

The message the art should express is protection of our waterways through awareness of what rain water washes away, where it goes, and what it dumps into our streams, creeks, rivers and the ocean. The theme is "Do your part!" Keep our water ways clean with simple solutions. For more information and to get ideas to spark your creativity, you can google "non-point source pollution".

This photo from the Willimar, MN website helps explain what non-point source pollution is!

This is a Dutchess County contest and the winning art will be used to educate the public. There are prizes!

- 1st Prize = \$500 + a billboard in the County with the winner and the Municipality recognized
- 2nd Prize = \$300
- 3rd Prize - \$100
- The Municipality of the first prize winner will also receive a \$100 donation
- All three prize winners will be utilized by the Dutchess County MS4 Committee for education and outreach

The deadline to get the art to Beekman Rec is April 21st. If you would like all the details, please email recdirector@townofbeekmanny.us or call 845-227-5783 for more information.
