

Beekman Rec Winter Weather Cancellation Info

Weekend Party Rentals

The Town Maintenance Department clears the Rec for parties. If the Governor, County Executive, or Town Supervisor announces a "State of Emergency", the rental is cancelled and a credit is offered for another date.

An alert will be placed on the Rec Department website: www.beekmanrec.com. An email will go out to all registrants that have an email address recorded on their Rec Dep't. Account. In addition, a text blast will go out to any registrant that has registered for text alerts.
